

DEPARTMENT OF STATE
EXECUTIVE SECRETARIAT

249 100/12
June 18, 1953 (R)

MEMORANDUM FOR THE SECRETARY

Subject: Report to the President and the President's message for transmission to the Senate of the treaty of friendship, commerce and navigation between the United States and Japan, signed at Tokyo April 2, 1953.

Discussion

The proposed treaty which was envisaged by Article 12 of the Japanese Peace Treaty, is basically similiar to treaties of friendship, commerce and navigation now in force between the United States and other countries.

Upon Senator Hickenlooper's recommendation and with his telephoned concurrence (on June 17) a reservation barring the removal of the requirement of citizenship for the practice of professions has been attached to the proposed treaty with Japan. (TAB A)

Recommendation

That you sign the attached report to the President.
